From 320 Ranch:

Leave the ranch and **turn right** (north) onto US 191.

Go 10 miles, and **turn left** (west) onto Beaver Creek Rd. (marked by a rather small sign at the corner), just after Jake's Horses and just before the Ophir Elementary School.

Go west on Beaver Creek Rd. for 1.2 miles. When you reach a gate, press # and then the numbers 9317; the gate should open. If not, call the house from the key-pad.

Continue another ~2.5 miles up the gravel road. After you pass some dumpsters on the right, but before the maintenance garage, **turn left** on Upper Beaver Creek Rd. and go 1.4 miles to a turnaround in the road.

The driveway is a **sharp right**, back down the hill.

Please **park at the top of the driveway** and along the road past the turnaround.

The road up from the highway usually has very little traffic; other people may not be expecting so many cars on the road. Also, there are many blind curves as you go up the valley. Please use caution and drive slowly.
